Explanations of jury

2trip

The start-up philosophy and solving the real problem in everyday environment are all together with innovation from your own idea the conditions for success. The technical knowledge and vision of marketing on the market allows them to be a step ahead from the competition and are mature to obtain startup capital. The best-prepared trade presentation puts them on the first place in this competition. Goals for the future are clear and tasks in the company are well divided. We believe all this is a key to success.

Hi.story

Identifying the guests wishes as well as the natural and historical features of the tourist destination enables the company to maintain long-term existence and positioning as a unique service provider. Prepared communication channels and well assigned communication messages, together with the well prepared trade presentation, are the reason for an optimistic appearance on the market.

Lübezen

This original business idea could easily function in a real business environment. Besides, it can easily be expanded with additional services in the future. The trade presentation convinced us with good overall apperance and proactive presentation of the services.
